**Important reminders and other information**

**Check that** your doctor has prescribed the maximum days' supply allowed by your plan, plus refills for up to 1 year, if appropriate (not a 30-day supply, plus refills).

**Complete a** patient/doctor section for each person with a prescription.

**Be sure** you have filled out the Health & Medication Questionnaire.

**Unpaid balances**

If your plan limits the balance that you can carry on your account and you exceed that limit with this order, payment must be included. To price a medication, visit us online at [www.medco.com](http://www.medco.com) and click "Price a medication." To avoid processing delays, call Member Services to enroll in our e-check program or provide a credit card number in the "Complete your order" section on side 1.

**Generic substitution**

Texas, Florida and Ohio laws allow a generic equivalent drug to be substituted for certain brand-name drugs, unless you or your physician specifically directs otherwise. Ask your doctor or pharmacist whether safe, effective and less expensive generic drugs are right for you. Or, call

Medco at the number on your member ID card and ask to speak with a pharmacist. Pharmacists are available 24 hours a day, 7 days a week, to answer questions concerning your prescription.

If you live in Texas, you have a right to refuse generic substitution. In many cases, choosing a brand-name product will result in a higher co-payment. **Check the box if you do not want a less expensive, generic version of your medication.** Please note that this only applies to this prescription and future refills of this prescription.

**If you have Medicare Part B coverage**

Medco does not submit prescription drug claims to Medicare Part B. Check your Medicare Part B coverage to determine whether Medicare Part B covers your prescription(s) and whether it will cost you less to use a Medicare Part B participating pharmacy. For a list of Medicare Part B participating pharmacies, call your local Medicare carrier or call **1 800 MEDICARE (1 800 633-4227)**. For questions about your Medco-administered coverage, please call Member Services.

**If you need additional information or assistance,**

visit us online at [www.medco.com](http://www.medco.com) or call Medco Member Services.
