MASTER RETIREMENT PLAN INSTRUCTIONS FOR PAYMENT: DIRECT DEPOSIT AUTHORIZATION

We recommend you use direct deposit to have your benefit payments automatically put into your account at your financial institution (your bank or credit union).

- Your checks will be in your bank or credit union on the first business day of the month.
- Direct deposit provides extra safety—your checks cannot be stolen or lost in the mail.
- Direct deposit saves you inconvenient trips to your bank or credit union.

Check one of the following options:

- Mail my benefit payment to the address Deseret Mutual has on file.
- Send my payment to my bank or financial institution for direct deposit. I have completed the authorization below.

Note: Notifications will only be mailed to you each January unless there is a change in your net benefit payment.

For direct deposit, attach a voided check to show Deseret Mutual your exact account information.

Please tape a voided check here. Deposit slips cannot be accepted.
