

# TEMPORARY BENEFITS RELATED TO COVID-19

**Effective March 18 to August 31, 2020**

## COVID-19 EVALUATION

---

- Your Student Health Plan covers 100% of the maximum allowable amount for COVID-19 evaluation (office visit, urgent care, ER visit).
- No preauthorization is required.

## COVID-19 TESTING

---

- Your Student Health Plan covers 100% of the maximum allowable amount for COVID-19 testing, including the following lab testing.
- No preauthorization is required.

**Effective March 18 to August 31, 2020**

## MEDICAL OFFICE VISITS

---

- Your Student Health Plan covers medical office visits performed via telehealth.
- Standard Student Health Plan benefits apply.
- Temporary coverage applies only to scheduled medical office visits (CPTs 99201-99215) performed via telehealth due to COVID-19 related office closures. Telehealth services performed via “convenient care” or other typically app-based platforms remain excluded from SHP coverage.

## MENTAL & BEHAVIORAL HEALTH COUNSELING VISITS

---

- Your Student Health Plan covers mental and behavioral health counseling visits performed via telehealth.
- Standard Student Health Plan benefits apply.

## Effective March 18 to May 17, 2020

### TELEPHONIC EVALUATION

---

- Your Student Health Plan covers 100% of the maximum allowable amount for telephone-based evaluations with a clinician.
- No preauthorization is required.

## Effective April 10 to August 31, 2020

### COVID-19 SEROLOGIC TESTING

---

- Your Student Health Plan covers 100% of the maximum allowable amount for serologic testing.
- No preauthorization is required.

A young woman with long, dark brown hair is smiling warmly at the camera. She is wearing a blue denim button-down shirt and has a dark blue backpack strap visible over her right shoulder. She is holding a white brochure or pamphlet in her hands. The background is a blurred outdoor setting, possibly a campus.

# **STUDENT HEALTH PLAN 2019-2020**

# STUDENT HEALTH PLAN SUMMARY OF BENEFITS

<b>Health Centers:</b> For your primary care provider, you and your covered dependents must use the Student Health Center in Provo, or the Madsen or Sugar House health centers in Salt Lake. Covered services are paid at 100% at the Student Health Center after your copayment. <b>Any service provided outside of the health centers must be preauthorized.</b>		
<b>Preauthorization:</b> You must preauthorize all services received outside of the health centers, except emergency room and urgent care visits. For more information about how to preauthorize, see <a href="#">page 16</a> .		
<b>Copayments</b> <b>Health centers:</b> \$10 for regular visits and \$15 for urgent care visits. <b>Outside of health centers:</b> \$25 per service for physician, urgent care, and other outpatient care (\$100 per service that isn't preauthorized); \$50 for hospital emergency room visits; \$300 per hospital admission (\$400 per hospital admission that isn't preauthorized).		
<b>Maximum Benefit:</b> There is a maximum benefit of \$30,000 per person per plan year for services received outside of the health centers. For coverage of medical expenses above the maximum benefit, see <i>Large Claims Coverage</i> ( <a href="#">page 25</a> ).		
<b>Explanation of Covered Expenses:</b> Plan payments are subject to allowable charges, determined by DMBA (see <a href="#">page 34</a> ).		
COVERED SERVICES	CONTRACTED PROVIDER	NON-CONTRACTED PROVIDER
Ambulance: Licensed land or air transport	80% of allowable charges after copayment	50% of allowable charges after copayment
Ambulatory Surgical Center: Outpatient surgery, services, and supplies	80% of allowable charges after copayment	50% of allowable charges after copayment
Diagnostic X-ray and Lab Services: CT, MRI, ultrasound, lab, and pathology	80% of allowable charges after copayment	50% of allowable charges after copayment
Medical Equipment (Durable): Rental or purchase of eligible equipment (see <a href="#">page 20</a> )	80% of allowable charges after copayment	50% of allowable charges after copayment
Emergency Care: Emergency room services and supplies	80% of allowable charges after copayment	
Home Healthcare: Services and supplies from a home health agency	80% of allowable charges after copayment	50% of allowable charges after copayment
Hospital Medical Services: Room, surgical services and supplies, outpatient medical care	80% of allowable charges after copayment	50% of allowable charges after copayment
Maternity Care*: • Hospital and ancillary services • Physician office visits (Married student coverage, see <a href="#">page 20</a> . Non-student dependents subject to \$6,500 deductible.)	• 80% of allowable charges after copayment • 80% of allowable charges after \$25 copayment per visit to a maximum of \$250 for routine care	• 50% of allowable charges after copayment • 50% of allowable charges after \$25 copayment per visit to a maximum of \$250 for routine care
Outpatient Therapy: Radiation therapy, chemotherapy, dialysis. For physical therapy in Utah County, you must receive care at the BYU SHC.	80% of allowable charges after copayment	50% of allowable charges after copayment
Physician Medical Services: Office visits, hospital visits, surgeon, surgical assistant, and anesthesiologist	80% of allowable charges after copayment	50% of allowable charges after copayment
Prescription Drugs • At the SHC Pharmacy • At a Network Retail Pharmacy High-cost and specialty drugs are excluded (see <a href="#">page 22</a> )	Covered drugs: • The plan pays 80% • The plan pays 60%	Non-covered drugs: • You pay 100% • You pay 100%

\* Maternity coverage is included for all students/contract holders. Non-student dependents have a \$6,500 deductible. This summary of benefits provides a brief review of plan benefits. For complete details of coverage, including limitations and exclusions, please read this entire Student Health Plan handbook.

# TO ALL STUDENTS

## Importance of Medical Coverage

All 3/4-time students are required to have adequate medical coverage. Your good health is essential to achieving your educational goals, and access to adequate healthcare and medical coverage is essential to your good health. Without adequate coverage, unexpected medical expenses could alter your future dramatically.

Enrollment in the Student Health Plan satisfies this coverage requirement, as does enrollment in a group medical plan provided by your employer or your spouse's or parent's employer. We work diligently to keep premiums low while maintaining appropriate benefits.

## Comparing Health Plans

Medical plans vary in the coverage they offer. Some plans may provide adequate coverage while you're at home, but won't cover you while you're at school, studying abroad, traveling, or on leave of absence. Other plans may seem like a bargain up front, but leave you without access to mental health services, or with bills you can't afford. Plans that have high annual deductibles can create a financial barrier to healthcare access because your out-of-pocket expenses are so high at the time you receive services. We hope this information about our medical coverage requirements and the Student Health Plan will provide clear answers to your questions, help you evaluate your coverage options, and help you make the best choice for your coverage.

## Medical Coverage Requirement

If you are a continuing student who is enrolled at least 3/4 time, you must have coverage the entire time you're a continuing student, including during any summers you take off or other short-term breaks from classes.

To satisfy the health coverage requirement, you have several options:

1. Enroll in the Student Health Plan.
2. Be enrolled in a group health plan provided by your parent's, your own, or your spouse's employer that covers you in Utah.
3. Purchase an individual Affordable Care Act (ACA) compliant health plan.

If you choose any medical plan other than the Student Health Plan, you must provide verification of adequate coverage at the beginning of your first semester or term and annually at the beginning of fall semester. Carefully review any medical plan you're considering to make sure it will provide you with sufficient coverage for your current and future healthcare needs. **Coverage must be effective by the first day of class.** The Student Health Plan office (located at the BYU SHC and the LDS Business College cashier's office) makes all determinations about health coverage waivers. Decisions by the Student Health Plan Office are final.

BYU requires all ELC students and F-1 and J-1 visa students to be enrolled in the BYU Student Health Plan or an ACA-compliant plan offered by a United States-based insurance company. This plan must provide comprehensive medical coverage for you while you are on campus. Insurance plans from companies outside the United States will not be accepted.

All students enrolled at least 3/4 time (nine credit hours per semester or 4.5 credit hours per term) and all F-1 and J-1 visa students who don't submit proof of other coverage before the deadline each year will be

enrolled automatically for individual coverage and assessed the appropriate premium (single or married rate) for the Student Health Plan. Students who are actively working toward a degree and have at least 0.5 on-campus credits are eligible to enroll in the Student Health Plan. Students registered for between 0.5 and nine semester or 4.5 term on-campus credits will not be automatically enrolled in the Student Health Plan, but they can contact the Student Health Plan Office via YMessage or in person to enroll. Graduate students who have at least two credits during fall semester and were enrolled in the Student Health Plan for summer term will be automatically enrolled for fall semester in the same plan they had during summer term.

Spouses and dependents won't be enrolled automatically the first semester or term you're on the plan. If you want coverage for your spouse and dependents, you must enroll them in the plan during open enrollment.

## HOW THE PLAN WORKS

Medical care that is covered by this plan is provided by or coordinated through the health centers. If you need eligible services the health centers can't provide, you'll be referred to contracted medical providers in the community. These providers have contracted with DMBA to offer care at a reduced cost to participants. The discounts will be reflected in the portion of charges you're responsible to pay. If you live in Utah County you must use the BYU Student Health Center for your initial medical care.

### Annual Enrollment Requirement

The Student Health Plan has an annual enrollment requirement. This means when you enroll, you enroll for the entire academic year. If you gain new health coverage, you may waive the Student Health Plan. (For information about how to waive enrollment, see *Changing Enrollment* on [page 10](#).)

If you don't enroll for classes for one semester but intend to return for the following semester, you must maintain your enrollment in the Student Health Plan.

For more information about enrollment in the plan and its various coverage options, please see [page 11](#).

### Health Coverage Identification Card

You can access your Student Health Plan ID card online at [www.dmba.com](http://www.dmba.com). On the homepage select *View ID Card* and follow instructions. If you have difficulty accessing your card or need assistance in requesting another card, call DMBA at 800-777-3622.

### Preauthorization

For services received outside of the health center to be eligible for maximum benefits, you must preauthorize them before you receive the medical care. If you don't preauthorize, you may be responsible for an additional \$100 copayment for each service. For more information, see [page 16](#).

## HOW MEDICAL SERVICES ARE PAID

### Overview

In most cases, you pay a copayment to the provider of the care at the time you receive the service. This is a fixed dollar amount (for example, \$25 for most services outside of the health centers). After your copayment, the amount covered by the plan (for example, 80 percent) is your **plan benefit**, and the amount you pay (the remaining 20 percent) is the **participant responsibility** (see [page 8](#)).

When you receive services outside of the health centers, you or the provider of your care must submit an itemized bill to DMBA (see [page 25](#)). DMBA will process your claim, send a check for the plan benefit to the provider of the care, and send you an *Explanation of Benefits (EOB)* statement. This statement will itemize the charges, your copayment, the plan benefit, and the amount you're responsible to pay. You must pay your copayment to the provider of the care (if you haven't already done so).

Benefits for all care received outside of the health centers are based on the lesser of billed charges, contracted rates, or **allowable charges** for the services received, as determined by DMBA. For all services, the guidelines, benefits, and exclusions of the plan will determine claims payment.

In some cases, the provider of the care will bill more than DMBA's allowable charges for the services given. If so, your EOB statement will also itemize how much of the bill is **over the allowable charges**.

- If you receive your care from one of DMBA's **contracted providers**, you don't need to pay any amount over the allowable charges. When healthcare providers contract with DMBA, they agree not to bill you for more than the allowable charges. (For information about contracted providers, see [page 24](#).)
- If you receive your care from a provider who **isn't contracted** with DMBA, you may be billed for any charges that exceed the plan's allowable charges. It then becomes your responsibility to pay those additional charges.

You're also responsible to pay the provider of your care for any services that aren't covered by the plan.

## Copayments

For clinician, X-ray, and laboratory services you receive at the health centers, your copayments are:

- \$10 for regular clinic visits
- \$15 for walk-in urgent care visits
- If you miss your appointment or fail to cancel one hour beforehand, you will be charged the \$10 copayment
- For some laboratory services, the SHC sends tests to outside providers. These services will be covered at 80 percent.

For authorized services you receive outside of the health centers, your copayments are:

- \$25 per service for physician services and other outpatient care
- \$50 for hospital emergency room visits
- \$300 per hospital admission (\$100 for newborn infants)
- **If you don't preauthorize services you receive outside of the health centers when necessary, you pay a \$100 copayment per service instead of the normal copayment (see [page 16](#)).**

## Plan Benefits and Participant Responsibility

After you have paid your copayment, the benefits for the remainder of eligible expenses are:

	SERVICES AT THE HEALTH CENTERS	SERVICES OUTSIDE OF THE HEALTH CENTERS
The plan pays:	100% (80% for lab tests sent to outside providers)	Contracted providers: 80% Non-contracted providers: 50%
You pay:	0%	Contracted providers: 20% Non-contracted providers: 50%

Remember, benefits for all care received outside of the health centers are based on the lesser of billed charges, contracted rates, or allowable charges for the services received, as determined by DMBA. For all services, the guidelines, benefits, and exclusions of the plan will determine claims payment.

The maximum benefit for all services received outside of the health centers is \$30,000 per person per academic year. For expenses that exceed the plan maximum, please see the information on [page 25](#) about Large Claims Coverage.

## ELIGIBILITY

The following individuals are eligible to enroll in the Student Health Plan.

**Students** who are actively working toward a degree and have at least 0.5 on-campus credits are eligible to enroll in the Student Health Plan. Students registered for between 0.5 and nine semester or 4.5 term on-campus credits will not be automatically enrolled in the Student Health Plan, but they can contact the Student Health Plan Office via YMessage or in person to enroll.

**Dependents:** If you enroll in the Student Health Plan, you may also enroll your eligible dependents, including:

- Your spouse. Your spouse is a person of the opposite sex who is your legal husband or your legal wife.
- Your eligible children. Eligible children are your children who are younger than 26 including:
  - » Natural children (including infants from the date of birth), legally adopted children, and children appointed by a court of law to your custody or your spouse's custody. In the case of a child who is committed by a court of law to your custody or the custody of your spouse, you must submit a copy of the certified court order granting the adoption, custody, or guardianship.
  - » A child placed with you under the direction of a licensed child placement agency and for whom you're the legal guardian. If you add a newly adopted baby to your plan, the baby will be covered from the date you sign the adoption papers. (In Utah, this can't happen before 24 hours plus one minute after the birth mother has signed relinquishment papers.) For adopted babies, the congenital anomalies exclusion doesn't apply.
  - » Your unmarried child who is 26 or older and incapable of self-support because of mental or physical incapacity that existed before the child reached 26, and who is primarily dependent upon you for support.
  - » Your stepchild (child of your spouse) younger than 26. If the stepchild is younger than 18, your spouse must have a court order granting full or partial custody.

## ENROLLMENT

### Enrolling Yourself

You may enroll in the Student Health Plan, either for individual or family coverage, at the beginning of your first semester or term as a continuing student. When you enroll in the Student Health Plan, you enroll for the entire academic year.

**Open Enrollment:** Your enrollment is due on or before the first day of classes for the first semester or term you enroll in classes at least 3/4 time. Your enrollment will remain in effect until the end of the academic year (see *Coverage Periods* on [page 13](#)).

At the beginning of each academic year (fall semester) you'll be enrolled automatically in the same coverage option you had the previous year if you're enrolled for at least 3/4 time. If you wish to make

any changes (add or remove dependents) to this coverage option, you must make them within the first week of fall semester. If you aren't enrolled for at least 3/4 time in the fall semester and you want Student Health Plan coverage, you must contact the appropriate office by the last day to add or drop classes (Student Health Plan office at BYU or cashier's office at LDS Business College).

**Late Enrollment:** If you don't enroll before the first day of classes, you have a late enrollment "grace period." This will end one week after classes begin for a semester or term. **No enrollments will be accepted after the end of the late enrollment period unless you meet one of the special circumstances outlined in *Changing Enrollment*.**

The enrollment deadlines are specified in the calendars on [page 33](#).

Please note, all continuing students enrolled 3/4 time or more who don't enroll in the Student Health Plan or provide verification of other coverage that meets school requirements will be enrolled in the Student Health Plan automatically for individual coverage and will be assessed the appropriate premium.

## Marital Status Changes

When you get married, you are required to change your marital status from single to married. You can do this by logging in to MyBYU, clicking on the *Communications* tab, and then clicking on the *Personal Information* tab. Or you can change your status at the appropriate office (ASB records office or Student Health Plan office at BYU, or registration office at LDS Business College). You will be charged the appropriate married student premium for the semester/term the marriage occurs.

## Enrolling Your Dependents (Spouse, Children)

If you want to cover your eligible dependents, you may change your enrollment from individual coverage to family coverage at the beginning of your first semester or term, or at the beginning of each academic year (fall semester) thereafter. This must be done by the last day to add/drop.

If you enroll your family, their enrollment will generally remain in effect until the end of your enrollment in school (see *Coverage Periods* on [page 13](#)). Spouses and dependents won't be enrolled automatically the first semester or term you're on the plan. However, we'll renew enrollment for your family at the beginning of each subsequent academic year, based on their enrollment for the previous term and your current status as a 3/4-time student. Remember to notify the health center if you need to change your family's enrollment.

Remember, if you don't enroll your dependents at the beginning of your first semester or term or at the beginning of the academic year (fall semester), you can't add them to your coverage midyear. You must wait until the beginning of the next academic year to do so, unless you meet one of the special circumstances outlined below.

## Changing Enrollment

If you acquire a new dependent because of marriage or the birth or adoption of a child, you may change your enrollment to include coverage for your new spouse and/or the new dependent as long as you apply within 60 days of this event. If this changes your coverage option, you'll be assessed the appropriate premium retroactive to the beginning of the coverage period. (Please remember, you must formally enroll your newborn child in the Student Health Plan; it isn't done for you automatically when the child is born.)

If you waive enrollment in the Student Health Plan for yourself and/or your dependents because you have other coverage that meets school requirements and you subsequently lose eligibility to continue the other coverage, you may enroll in the Student Health Plan for yourself at the block, semester, or term because

of the university's medical coverage requirement (see [page 6](#)). If you don't enroll your dependents within 60 days of losing eligibility for the other coverage, you must wait until the beginning of the next academic year (fall semester) to enroll them.

If you enroll in the Student Health Plan and subsequently obtain other coverage that meets school requirements, you may discontinue your enrollment in the Student Health Plan. You must notify the Student Health Plan office within 60 days of obtaining new health coverage. You can do this by logging in to MyBYU, clicking on *My Financial Center*, then *My Accounts*, and then *Health Coverage*. Or you can change your status at the appropriate office by submitting certification of the other coverage before the beginning of the block, semester, or term (Student Health Plan office at BYU or cashier's office at LDS Business College). Your new coverage must be effective by the first day of class.

## During Mission Service

If you leave school to serve a mission, you won't be covered by the Student Health Plan during your mission. Please notify the appropriate office (Student Health Plan office at BYU or cashier's office at LDS Business College). You may re-enroll when you return to school.

## After Leaving School

You can maintain your Student Health Plan coverage when not on campus, within certain limitations. If you drop your classes before the second block begins and you're a new student or haven't attended school the previous semester/term, your coverage will end. Otherwise, you'll be charged private rates for services incurred in the health centers. Please see *Away-from-Campus Coverage Option* on [page 11](#).

# COVERAGE OPTIONS

The Student Health Plan includes two coverage options. You'll be enrolled in the appropriate option based on your student status.

IF YOU ARE ...	YOUR COVERAGE OPTION IS ...
Enrolled in classes on campus at least 3/4 time (9 hours per semester or 4.5 hours per term)	Regular on-campus coverage
Enrolled in a Study Abroad Program, an internship required for your degree, or on tour as part of a school performance group	Away-from-Campus Coverage (see below)
Admitted as a full-time student but taking a semester or term off (or enrolled in classes for fewer credit hours than 3/4 time)	Away-from-Campus Coverage (see below)

**The benefits for services received outside of the health centers are the same for all coverage options. All services received outside of the health centers, other than emergency care, require preauthorization.**

## Away-from-Campus Coverage Option

If you enroll in the Student Health Plan for the academic year and then decide to take a semester or term off by not enrolling in classes at least 3/4 time, but you don't lose your status as a continuing student, you'll be covered by the Away-from-Campus option of the Student Health Plan during that semester

or term. (At LDS Business College, you must pay your premium by the first day of class to maintain continuing student status under the Student Health Plan if you're not enrolled in any classes.)

If you're enrolled in the Student Health Plan and you participate in a Study Abroad Program, an internship required by your department, or you travel as a member of a school performing group on tour, you'll be covered by the Away- from-Campus option of the Student Health Plan during that semester or term.

If you have enrolled your dependents in the plan for the year, they'll be covered by this option while you are. You may make changes to your enrollment (add dependents, discontinue coverage, etc.) only as outlined on [page 10](#). Any dependents enrolled in the plan for the academic year will also be covered by this option.

While you're enrolled in this option, you must receive medical care at one of the health centers if you're in the area. Otherwise, you may receive your medical care from any qualified, appropriately licensed medical provider. However, it will be to your advantage to use providers who are part of DMBA's national Preferred Provider Network whenever possible (see [page 24](#)). **You must still preauthorize any care you receive outside of the health centers.**

## Extended Coverage Option

Your Student Health Plan coverage terminates at the end of the semester/term that you graduate or lose your status as a continuing student. (Please see the calendars on [page 33](#) for the dates coverage ends.)

If you were enrolled in the Student Health Plan during your last semester or term in school and you would like to continue your coverage after you leave school, you may enroll in Extended Coverage for up to four (4) consecutive calendar months.

Your dependents may be covered by Extended Coverage only if they were enrolled with you for family coverage during your last semester or term.

If adding a new dependent changes your coverage option and premium, the additional premium for the month the dependent became eligible must be included with the enrollment form.

Extended Coverage plans are eligible for Large Claims Coverage (see [page 25](#)).

Enrollment in Extended Coverage takes place on a month-by-month basis. You may enroll for up to four (4) consecutive calendar months.

To enroll, complete an Extended Coverage enrollment form at the appropriate office (Student Health Plan office at BYU or cashier's office at LDS Business College) within 60 days from the last day of coverage on the Student Health Plan. Also, you must pay your premium for your first month of coverage, and pay your premium monthly thereafter.

To renew your coverage from month to month, submit your enrollment form and premium payment to the appropriate office before the end of the month that you require coverage (Student Health Plan office at BYU or cashier's office at LDS Business College). Renewal applications that aren't submitted before the end of the applicable month will not be accepted. It is very important for you to meet these deadlines. Failure to renew your coverage in time will result in the end of your Extended Coverage, after which you will not be eligible to re-enroll. While you're enrolled in this option, you may receive your medical care from any qualified, appropriately licensed medical provider. However, it will be to your advantage to use providers who are part of DMBA's national Preferred Provider Network whenever possible (see [page 24](#)). If you're in the area, you can be seen at one of the health centers, but you must pay at the time of service.

## COVERAGE PERIODS

New students will be covered for illness and injury while traveling to school and during on-campus activities before the first day of classes. This coverage will be effective for up to seven days before you're due to report for classes or orientation.

**When you enroll in the Student Health Plan, you enroll for an entire academic year.** The coverage option you choose (either individual or family coverage) will generally remain in effect until the end of the academic year, unless you graduate, lose your continuing student status, or have a qualifying event.

Please see the calendars on [page 33](#) for the exact dates coverage begins and ends for the 2019-2020 academic year.

WHEN DOES COVERAGE BEGIN?	FOR YOU AND CURRENT DEPENDENTS	FOR A NEW DEPENDENT
Regular on-campus or Away-from-Campus coverage	First day of classes for new semester/term	12:01 a.m. on the date of the qualifying event
Midyear Enrollment	First day of classes for the semester/term you enroll	

WHEN DOES COVERAGE END?	AFTER YOU GRADUATE OR LOSE CONTINUING STUDENT STATUS	AFTER YOUR DEPENDENT LOSES ELIGIBILITY	AFTER YOU MOVE TO OTHER AVAILABLE COVERAGE
Regular on-campus or Away-from-Campus coverage	End of last semester/term in school	End of semester/term that dependent becomes ineligible	Beginning of next semester/term

## CERTIFICATE OF CREDITABLE COVERAGE

After your coverage ends, you may request a *Certificate of Creditable Coverage* by calling DMBA. This is a document certifying the length of time you were covered by the Student Health Plan.

## COVERAGE AT ANOTHER CHURCH SCHOOL

If you receive services at the health center of another Church school, the services will be covered as if you had received services at one of the local health centers. However, you may have to pay that school's health center for the total bill at the time of service and submit the claim provided by the health center to DMBA for reimbursement. You won't need preauthorization.

## PREMIUMS PER MONTH

Premiums are due by the first day of classes each semester and term. If you don't pay premiums by the last day to add/drop classes, holds will be placed on your financial account.

If you qualify to change enrollment midyear (see [page 10](#)), the premium (or additional premium, if necessary) will be due immediately when you enroll for the semester or term the enrollment change becomes effective.

The premiums listed below are per month. Because this plan covers students at multiple schools, your school will collect premiums for the semester or term that you are enrolled. The total amount may vary according to the length of the semester or term. For more information, contact your school (see *Who to Contact* on [page 2](#)).

	REGULAR ON-CAMPUS AND AWAY-FROM-CAMPUS COVERAGE	EXTENDED COVERAGE
Single Student Only	\$ 81.00 per month	\$ 162.00 per month
Single Student with Dependent(s)	\$ 299.00 per month	\$ 445.00 per month
Married Student Only	\$ 129.00 per month	\$ 258.00 per month
Married Student with Dependent(s)	\$ 451.50 per month	\$ 678.00 per month

## DISCOUNTED DENTAL, EYE, AND OTHER SERVICES

Student Health Plan participants can use this program to save money on dental services and other non-covered goods and services. While this service isn't covered by the Student Health Plan, it gives participants the ability to purchase services directly from providers at discounted prices. For more information, go to <http://www.basixstudent.com/byu2/>. The program provides savings of up to 50 percent on the following services:

- Chiropractic services
- Dental services
- Eyeglasses, contact lenses, and sunglasses
- Health club memberships
- LASIK vision enhancement surgery

### Discounted Dental Program

The Discounted Dental Program has contracted with dentists and dental specialists to provide services to students and dependents covered by the Student Health Plan at a reduced fee schedule. Again, this isn't a benefit covered by the plan. You'll be responsible to pay the dentist for the services you receive at the time of your visit. However, by using the program, you'll pay 10 to 50 percent less than you would have paid otherwise. To use the Discount Dental part of the program, follow the instructions below:

1. Schedule an appointment with one of the contracted providers listed on the internet at <http://www.basixstudent.com/byu2/>. Be sure to tell the office you're part of the Student Health Plan's Discounted Dental Program when you make the appointment.
2. Take your Student Health Plan identification card to the appointment. If you don't have a card, call 800-777-3622 to request a card and to receive your identification number.
3. Pay the dentist for the services you receive at the time of service. The exact amount you owe will depend on the services you receive. The prices for nearly all common services are listed at <http://www.basixstudent.com/byu2/>. Services not on the price list are 80 percent of the dentist's usual charge. You may want to print out the price list and take it with you to the dentist's office.

Because this program isn't insurance, there aren't any claim forms, enrollment procedures, benefit limitations, or conditions, etc. You and the dentist determine what services you'll receive, and you pay the dentist for those services at the time of your visit.

If you were in treatment with a contracted provider before the time you had access to the Discounted Dental Program, you'll pay the regular price. The discounted price is only applicable for services received after you had access to the program.

You must pay for services at the time you receive them. The contracted dentist is under no obligation to accept the discounted fees for services not paid for at the time of service.

Neither the school nor any of its contractors or agents have any liability for the services and/or products delivered by contracted providers. This program isn't provided by or affiliated with DMBA in any way.

Coupons, specials, and other types of offers promoted by contracted providers may only be used in conjunction with this program at the discretion of the contracted provider.

## Other Discounted Services

The other discounted services include chiropractic services, eyeglasses, contact lenses, sunglasses, health memberships, and LASIK vision enhancement surgery.

To learn about the various services available and to review the list of participating providers, go to <http://www.basixstudent.com/byu2/>. When using any of the discounted services, simply present your Student Health Plan identification card provided by DMBA to receive the special pricing. Payment is due at the time of service.

# HEALTH CENTERS

## Locations and Operating Hours

UTAH COUNTY	SALT LAKE COUNTY	
<b>Student Health Center</b> 1750 N. Wymount Terrace Dr. Provo, UT 84602 (East of MTC) Telephone: 801-422-5156 <u>Regular hours:</u> 8 a.m. to 5:30 p.m., Monday through Friday <u>Walk-in urgent care hours:</u> 8 a.m. to 5:30 p.m., Monday through Friday Fall and winter semesters: 8 a.m. to noon on Saturday	<b>Madsen Health Center</b> 555 Foothill Drive Salt Lake City, UT 84112 Telephone: 801-581-8000 <u>Appointment hours:</u> 7 a.m. to 5:30 p.m. on Monday, Tuesday, Friday; 7 a.m. to 7 p.m. on Wednesday, Thursday; Closed Saturday and Sunday	<b>Sugar House Health Center</b> 1138 Wilmington Ave. Salt Lake City, UT 84106 Telephone: 801-581-2000 <u>Appointment hours:</u> 7 a.m. to 7 p.m. on Monday to Thursday; 7 a.m. to 5 p.m. on Friday; 8 a.m. to 5 p.m. on Saturday; Closed Sunday

## Available Services

The health centers have staffs of clinicians and specialists who provide medical care in the areas listed in the table below. Please keep in mind some of these specialties are scheduled on a part-time basis and may not always be available. Services provided at the health centers do not require preauthorization.

The pharmacy at the BYU Student Health Center is committed to providing prescription drugs to students at the lowest cost possible. If you have questions about help for high-cost prescription drugs, please discuss them with your clinician.

The Student Health Plan doesn't cover knee and ankle braces used solely for sports. However, they're covered when used for injuries. If you obtain reusable medical equipment (such as crutches) from the Student Health Center, you must return it. If you don't, you'll be charged a fee to cover the cost of the item.

**Routine physical exams, most adult immunizations, and high-cost injections** aren't covered by the Student Health Plan, but they're available at the Student Health Center for a discounted fee. **Cosmetic mole removal** isn't covered by the Student Health Plan, nor is it available at the Student Health Center.

The health centers are not Medicare providers.

BYU STUDENT HEALTH CENTER	MADSEN AND SUGAR HOUSE HEALTH CENTERS

## SERVICES OUTSIDE OF THE HEALTH CENTERS

The Student Health Plan covers hospitalization and many other specialized medical services the health centers don't provide. If you need such services, you will be referred to a medical provider in the community.

### Preauthorization

**You must preauthorize all care you receive outside the health centers, except for emergencies.**

To preauthorize outpatient services performed in Utah, call the SHC authorization line at 801-422-2771 (choose option 5). If you're referred by a health center clinician, this preauthorization will occur automatically. To preauthorize all other services (inpatient hospital in Utah or all services outside of Utah), call DMBA at 800-777-3622. If you are outside of the United States, you must preauthorize services by calling DMBA at 800-777-3622, or by faxing information to 801-578-5916.

If your preauthorized provider recommends care that isn't preauthorized by the health center or DMBA (such as additional office visits, tests at another facility, or consultation with another healthcare provider), you must contact DMBA for preauthorization before you receive the additional care. Remember, care beyond the scope of the original preauthorization must also be authorized in advance.

If you receive medical care outside of the health centers without preauthorization, your copayment will increase to \$100 per service. If you don't preauthorize hospital admission, you must pay an additional \$100 copayment per admission.

If you receive services in an emergency room and are subsequently admitted to the hospital, you must call DMBA to preauthorize the admission within two business days. If you receive emergency care in a physician's office after business hours, you must also call DMBA for preauthorization.

Even if you have preauthorization to see an outside provider, the authorization doesn't guarantee payment for the treatment you receive. Plan guidelines, benefits, and exclusions will determine claims payment for all services.

## COVERED SERVICES

For information about the benefits payable for services outside of the health centers, see the table on [page 8](#). If you have questions about benefits or preauthorization requirements for any medical service, call the Student Health Plan team at DMBA. The following pages list examples of the services the plan covers outside of the health centers.

### ALLERGY SERVICES

---

- Contracted provider: The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent after your \$25 copayment; you pay 50 percent.
- **You must preauthorize.**

### AMBULANCE (LAND AND AIR)

---

- When medically necessary, the plan covers licensed ambulance services to the nearest medical facility equipped to furnish the appropriate care.
- The plan pays 80 percent after your \$25 copayment; you pay 20 percent.

### ANESTHESIA

---

- The plan pays 80 percent; you pay 20 percent.

### CARDIOVASCULAR SERVICES

---

- Contracted provider: The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent after your \$25 copayment; you pay 50 percent.
- **You must preauthorize.**

### CHEMOTHERAPY

---

- Contracted provider: The plan pays 80 percent; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent; you pay 50 percent.
- **You must preauthorize.**

### DENTAL ACCIDENT BENEFIT

---

- The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- The maximum benefit is \$3,000 per plan year.
- Benefits apply only to services made necessary as a direct result of a traumatic accidental injury (such as a car accident or facial injury) that occurs while you're covered by the plan.

- Benefits apply only to services received while you're covered by the plan and within two years of the accident.
- **You must preauthorize.**

## DIABETES EDUCATION

---

- Contracted provider: The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent after your \$25 copayment; you pay 50 percent.
- The maximum benefit is \$300 per plan year.
- **You must preauthorize.**

## DIABETIC SUPPLIES

---

- The plan pays 80 percent; you pay 20 percent.

## DIALYSIS

---

- Contracted provider: The plan pays 80 percent; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent; you pay 50 percent.
- **You must preauthorize.**

## EMERGENCY ROOM

---

- If care at an urgent care facility is appropriate, it is a less expensive alternative (see [page 23](#)).
- The plan pays 80 percent after your \$50 copayment; you pay 20 percent.
- You don't need to authorize the initial visit, but **you must preauthorize any follow-up care with DMBA.**

## EYE EXAMS

---

- Contracted provider: The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent after your \$25 copayment; you pay 50 percent.
- One routine eye exam per person is eligible for benefits each academic year.
- Eye exams for medical conditions, such as glaucoma, may be eligible for benefits more often. **You must preauthorize.**

## FLU SHOTS

---

- Contracted providers (including BYU Student Health Center or VRx Pharmacy): The plan pays 100 percent; you pay 0 percent.
- All other providers: The plan pays 50 percent; you pay 50 percent.
- One influenza (flu) shot per person is eligible for benefits each academic year.
- For more information about getting your flu shot, call the BYU Student Health Center or VRx Pharmacy.

## GASTROENTEROLOGY SERVICES

---

- Contracted provider: The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent after your \$25 copayment; you pay 50 percent.
- **You must preauthorize.**

## HEARING TESTING

---

- Contracted provider: The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent after your \$25 copayment; you pay 50 percent.
- The purchase or fitting of hearing aids isn't eligible for benefits.
- **You must preauthorize.**

## HOME HEALTHCARE

---

- Contracted provider: The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent after your \$25 copayment; you pay 50 percent.
- To be eligible for benefits, services must be performed by a licensed registered nurse or a licensed practical nurse.
- Custodial care (such as maintaining someone beyond the acute phase of injury or illness including room, meals, bathing, dressing, and home health aides) isn't eligible for benefits.
- **You must preauthorize.**

## INPATIENT HOSPITAL (INCLUDING MATERNITY SERVICES)

---

- Contracted provider: The plan pays 80 percent; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent; you pay 50 percent.
- You pay a \$300 copayment per admission (\$100 for newborn infants).
- For maternity hospitalization, you must only preauthorize stays of more than two days for vaginal delivery or more than four days for cesarean section delivery. If you don't preauthorize, additional days will be subject to medical review and an additional \$100 copayment. For preauthorization, contact DMBA before your stay is extended.
- **For other inpatient hospital stays, you must always preauthorize.** If you don't preauthorize your hospital stay, you'll be charged an additional \$100 copayment. For inpatient hospital stays that are the result of an emergency room visit, you have two business days to preauthorize. See [page 16](#) for more information.
- Non-student dependents are subject to a \$6,500 deductible for all maternity services.

## INPATIENT PHYSICIAN SERVICES

---

- Contracted provider: The plan pays 80 percent; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent; you pay 50 percent.
- **You must preauthorize.**

## LABORATORY SERVICES

---

- Contracted provider: The plan pays 80 percent; you pay 20 percent.
- Non-contracted provider: The plan pays 50%; you pay 50%.
- **You must preauthorize services related to genetic testing.** These services will only be preauthorized after consultation with a contracted genetic counselor.

## MAMMOGRAPHY

---

- Contracted provider: The plan pays 80 percent; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent; you pay 50 percent.

## MATERNITY—GENERAL INFORMATION

---

- Non-student dependents are subject to a \$6,500 deductible per pregnancy for all maternity services before receiving regular benefits.
- The health centers provide pregnancy tests, but you'll be referred to a contracted provider for other ongoing maternity care.
- Remember, you'll receive separate bills for the newborn baby's medical care. If you want to add your newborn child to your Student Health Plan coverage and receive plan benefits for the baby's expenses, contact the appropriate office within 60 days of the birth (Student Health Plan office at BYU or cashier's office at LDS Business College). For more information, see [page 10](#). Newborns must be enrolled in coverage for the semester or term they were born.
- Also, you need a referral for any non-maternity GYN care.
- All costs associated with birthing centers or planned home delivery for childbirth (including any complications that result from using these services) are excluded by the plan.

## MATERNITY—PHYSICIAN/NURSE-MIDWIFE SERVICES

---

- Non-student dependents are subject to a \$6,500 deductible per pregnancy for all maternity services before receiving regular benefits.
- Contracted provider: The plan pays 80 percent; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent; you pay 50 percent.
- You pay a \$25 copayment per visit (maximum total copayment of \$250 for routine care).
- **You must receive preauthorization from DMBA.**
- Additional services, such as ultrasounds, are billed separately and normal plan benefits and copayments apply to the additional charges. If other services are recommended by your physician, remember to contact DMBA first for preauthorization. To be eligible for benefits, many of the tests must be provided at the health center.
- Other physicians involved in the medical care for you and your baby, such as anesthesiologists or pediatricians, will bill you separately. Regular plan benefits and copayments will also apply to these charges.

## MEDICAL EQUIPMENT (DURABLE)

---

- Durable medical equipment is a device that is durable; primarily serves a medical purpose; generally isn't useful to people in the absence of illness, injury, or congenital defect; and is appropriate for use in the home. Please note, not all equipment that meets these requirements is eligible for benefits.
- Contracted provider: The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent after your \$25 copayment; you pay 50 percent.
- To be eligible for benefits, you must have a prescription from your physician.
- **You must preauthorize certain medical equipment.** For information about equipment requiring preauthorization, please refer to the table on [page 21](#). If you don't, the purchase or rental of the equipment will be reviewed retrospectively (after the fact) to determine if it is eligible for coverage.
- Time limitations apply to replacing some equipment.
- You are responsible for expenses associated with the maintenance and upkeep of your medical equipment.
- In some instances, if you purchase the equipment after you rent it, the rental price may be applied to the purchase price.

## MEDICAL EQUIPMENT

MUST BE PREAUTHORIZED	DOES NOT NEED TO BE PREAUTHORIZED	IS NOT ELIGIBLE FOR BENEFITS
Airway clearance systems (ThAIRpy vests) Bone growth stimulators Breast pumps (for NICU stays only) Communication devices CPM machines Enteral infusion pumps/formula Eye glasses/contact lenses (with certain medical diagnoses and/or surgeries) Gait trainers Helmet therapy Hospital beds/mattresses Hoyer lifts Insulin pumps Intermittent limb compression devices Lymph Presses Orthotics Oxygen concentrators/tanks Respirators/ventilators Scooters Standers TENS units/EMS units Wheelchairs	Apnea monitors (newborns only) Bilirubin lights Blood pressure kits Canes Commodes Crutches Glucometers (contact VRx) Nebulizers/Pulmo-Aides Orthopedic braces Overhead trapeze Oxygen Pacemakers Reflux boards Side rails for beds Transfer boards Walkers	Air filtration systems Exercise equipment Hearing devices Humidifiers/dehumidifiers Interferential stimulators Knee braces used solely for sports Learning devices Lift chairs Modifications associated with: <ul style="list-style-type: none"> <li>• Activities of daily living</li> <li>• Homes/structures</li> <li>• Vehicles</li> </ul> Spa memberships Thermal therapy devices (cold/hot) Whirlpools

## MEDICAL SUPPLIES

- Medical supplies are disposable, one-use-only medical items for immediate use. These include dressings and ace bandages with a prescription from your physician.
- Contracted provider: The plan pays 80 percent; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent; you pay 50 percent.
- To be eligible for benefits, you must have a prescription from your physician.

## MENTAL HEALTH THERAPY

- Contracted provider: The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent after your \$25 copayment; you pay 50 percent.
- Benefits are limited to 30 inpatient days and 30 outpatient visits.
- Residential treatment isn't covered.
- To be eligible for benefits, services must be provided by a physician, psychologist, clinical social worker, or advanced practice registered nurse.
- **You must preauthorize all mental health services received outside of the health centers.** All preauthorizations are confidential.

## OFFICE VISITS

- Contracted provider: The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent after your \$25 copayment; you pay 50 percent.
- **You must preauthorize.**

## PAIN CLINICS

---

- Contracted provider: The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent after your \$25 copayment; you pay 50 percent.
- The benefit is for either inpatient or outpatient care.
- Outpatient services have a five-visit or \$1,500 benefit limit. Each visit is subject to the contracted and non-contracted rates after your \$25 copayment.
- **You must preauthorize.**

## PHYSICAL AND OCCUPATIONAL THERAPY–OUTPATIENT

---

- Contracted provider: The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent after your \$25 copayment; you pay 50 percent.
- The plan covers up to 20 visits per person per academic year.
- Inpatient visits don't count toward your annual outpatient visit limit.
- **You must preauthorize.**
- **In Utah County, you must receive care at the BYU Student Health Center.**

## PRESCRIPTION DRUGS

---

From the SHC pharmacy:

- Covered brand-name and generic drugs: The plan pays 80 percent; you pay 20 percent.
- Non-covered brand-name and generic drugs: You pay 100 percent.
- Benefits are limited to a 30-day supply.
- High-cost and specialty drugs are exclusions of the plan.

From a network retail pharmacy:

- Covered brand-name and generic drugs: The plan pays 60 percent; you pay 40 percent.
- Non-covered brand-name and generic drugs: You pay 100 percent.
- Benefits are limited to a 30-day supply.
- High-cost and specialty drugs are exclusions of the plan.

Documented university-sponsored international travel may allow for a supply 1) up to 90 days **or** 2) until the end of your recorded enrollment in the SHP, whichever comes first. For more information, call VRx at 801-417-9722 or 877-879-9722.

Prescription drugs are not included in Large Claims Coverage (see [page 25](#)). If you qualify for Large Claims Coverage, standard prescription benefits will remain in effect. For more information about covered drugs and retail pharmacy locations, call DMBA at 801-578-5600 in the Salt Lake City area or toll free at 800-777-3622. Or call VRx at 801-417-9722 or 877-879-9722.

## PROSTHETICS

---

- This benefit includes prosthetics such as artificial arms or legs.
- Contracted provider: The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent after your \$25 copayment; you pay 50 percent.
- To be eligible for benefits, you must have a prescription from your physician.
- **You must preauthorize.**

## RADIATION THERAPY

---

- Contracted provider: The plan pays 80 percent; you pay 20 percent.

- Non-contracted provider: The plan pays 50 percent; you pay 50 percent.
- **You must preauthorize.**

## RADIOLOGY SERVICES (X-RAYS, CT SCANS, MRIS, ULTRASOUNDS, ETC.)

---

- The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- **You must preauthorize.**

## SKILLED NURSING

---

- Contracted provider: The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent after your \$25 copayment; you pay 50 percent.
- **You must preauthorize.**
- Time in an extended care facility must occur after an inpatient hospitalization.
- If the care is for recuperating or convalescing from an acute injury or illness, the maximum benefit is 50 days per academic year.
- Custodial care (such as maintaining someone beyond the acute phase of injury or illness, including room, meals, bathing, and dressing) is not covered.

## SUBSTANCE ABUSE

---

- Contracted provider: The plan pays 80 percent after your \$25 copayment (for outpatient services); you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent after your \$25 copayment; you pay 50 percent.
- Benefits are limited to 30 inpatient days and 30 outpatient visits.
- Residential treatment isn't covered.
- **You must preauthorize.** All preauthorizations are confidential.

## SURGERY–OUTPATIENT HOSPITAL SERVICES

---

- Contracted provider: The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent after your \$25 copayment; you pay 50 percent.
- **You must preauthorize.** If you don't preauthorize, you'll be charged an additional \$100 copayment.

## SURGERY–PHYSICIAN SERVICES

---

- Contracted provider: The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent after your \$25 copayment; you pay 50 percent.
- **You must preauthorize.**

## URGENT CARE FACILITY (WALK-IN CLINIC)

---

- The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- You don't need to authorize the initial visit, but **you must preauthorize any follow-up care with DMBA.**
- For more information about what to do in an emergency, see [page 24](#).

## WELL-CHILD CARE AND IMMUNIZATIONS

---

- Contracted provider: The plan pays 80 percent after your \$25 copayment; you pay 20 percent.
- Non-contracted provider: The plan pays 50 percent after your \$25 copayment; you pay 50 percent.
- **You must preauthorize.**
- The plan pays for well-child immunizations for children younger than 18.

## DMBA'S PREFERRED PROVIDER NETWORK

If you're away from the area while you're enrolled in the Student Health Plan, you may obtain care from any qualified, appropriately licensed medical provider. However, it is to your advantage to make sure the physicians and hospitals providing your care are contracted as part of DMBA's Preferred Provider Network. Your benefits will be higher and the providers won't bill you for fees that exceed DMBA's allowable charges (see [page 34](#)).

This network extends throughout most areas of the United States and includes physicians and hospitals that provide quality care at substantially discounted rates.

**For information about providers in your area, please call the appropriate telephone number. Be sure to identify yourself as a participant in a DMBA plan.**

**Remember, eligible expenses for services from contracted providers are covered at 80 percent while eligible expenses from non-contracted providers are covered at 50 percent.**

### Find a Contracted Medical Provider

Utah and Southeast Idaho: DMBA Contracted Providers  
800-777-3622 or [www.dmba.com](http://www.dmba.com) (click on Find a Provider)

All other states: UnitedHealthcare Options PPO  
866-633-2446 or [www.myuhc.com](http://www.myuhc.com)

Hawaii: MDX Contracted Providers  
808-675-4873

## EMERGENCIES

### Life-threatening Emergencies

If you're faced with a life-threatening emergency, you should seek immediate medical treatment from a qualified, accessible provider. See *Emergency Room* on [page 18](#).

Life-threatening emergencies are those in connection with a sudden and unexpected onset of a condition requiring immediate medical or surgical care to safeguard the patient's life. This includes heart attack, severe bleeding, loss of consciousness, convulsions, or temperature of more than 104° Fahrenheit.

### Other Medical Emergencies

Other medical emergencies are those that aren't life-threatening, but the onset of symptoms is so sudden and severe that immediate medical or surgical treatment is required to prevent serious impairment of bodily functions.

In the case of an emergency that isn't life-threatening, contact a health center immediately. You'll be instructed to go either to the health center or to another emergency-care provider for treatment. If the health center is closed, contact an after-hours facility or go directly to an urgent care facility or emergency room in the community. (Urgent care facilities are available in many areas. If your situation isn't life-threatening but needs immediate attention, an urgent care facility can often provide a less expensive alternative to a hospital emergency room.)

If you receive services in an emergency room and you're subsequently admitted to the hospital, you must call DMBA to preauthorize the admission within two business days. If you receive emergency care in a physician's office after business hours, you must also call DMBA for preauthorization.

## Follow-up to Emergency Care

For all emergencies, contact DMBA at 800-777-3622 before you receive any follow-up care. Most follow-up care can be provided at the health centers. If you need to receive follow-up care outside of the health centers, you must preauthorize with a health center before you receive the care.

Remember, if you receive follow-up care outside of the health centers without preauthorization, you must pay a \$100 copayment per service.

## SUBMITTING CLAIMS FOR PAYMENT

To receive plan benefits for services provided outside of the health centers, submit an itemized bill to:

DMBA  
P.O. Box 45530  
Salt Lake City, UT 84145

To be eligible for coverage, claims must be submitted within 12 months of the date of service. You don't need to submit claims for services received at the health centers.

**If you receive services outside of Utah, Hawaii, or Southeast Idaho, your provider should send claims directly to UnitedHealthcare. The address is on the back of your Health Coverage ID card.**

## LARGE CLAIMS COVERAGE

The plan provides Large Claims Coverage for all 3/4-time continuing students and their eligible dependents. This plan is separate from the Student Health Plan, and you don't need to be enrolled in the Student Health Plan to be covered by the Large Claims Coverage Plan.

Large Claims Coverage is secondary to any primary insurance plans, group or individual policies. This annual plan is designed to provide benefits if you incur large medical expenses beyond the limits of your primary coverage.

Before you can be eligible for benefits, you must document annual charges of \$37,500. All eligible expenses that exceed \$37,500 and aren't covered by a group plan or other primary insurance will be covered at 100 percent to a maximum of \$370,000 per person per academic year. Prescription drugs are not included in Large Claims Coverage. If you are enrolled in the Student Health Plan, standard prescription benefits will remain in effect.

If the accident or medical condition causes you to drop out of school, your Large Claims Coverage will be extended for six months beyond the last semester or term you were enrolled.

Contact DMBA if you need assistance from the Large Claims Coverage Plan or for more information about the plan's coverage and limitations.

## REPATRIATION OF REMAINS

If a covered accident or illness causes the death of a covered student while he or she is in a foreign country (that is, the student isn't a citizen of the country), the plan will pay expenses for returning

the body to the country of citizenship up to a maximum benefit of \$7,500. To be eligible for coverage, expenses must be approved in advance. Please call DMBA at 800-777-3622 for more information.

## EXCLUSIONS

Services that don't meet the definitions of eligible, as previously defined, aren't eligible for coverage by any coverage option. In addition, the following services and their associated costs are excluded from coverage:

### 1. Alternative care

- 1.1 Holistic, homeopathic, ecological, or environmental treatment and testing.
- 1.2 Acupuncture.
- 1.3 Vertebral column rehabilitation (chiropractic care) or massage therapy.

### 2. Congenital anomalies

- 2.1 Care, treatment, or operations received outside of the health centers in connection with congenital anomalies when such services are performed to restore normal body form or appearance, the conditions aren't immediately life threatening, and/or the timing is subject to the choice or decision of the patient and physician. This exclusion doesn't apply to care, treatment, or operations to treat congenital anomalies in children for whom coverage by the plan has been maintained since birth.

### 3. Convenience/cosmetic services

- 3.1 Care, treatment, supplies, or other services primarily for convenience, contentment, non-therapeutic purposes, or aren't clearly a medical necessity.
- 3.2 Care, treatment, or operations that are performed primarily for cosmetic purposes (non-suspicious mole removal, normal or abnormal hair loss, etc.), except for expenses incurred as a result of injury suffered while covered by the plan.
- 3.3 Care, treatment, diagnostic procedures, or other expenses for an abdominoplasty, breast reduction, lipectomy, panniculectomy, skin furrow removal, or diastasis rectus repair.

### 4. Custodial care

- 4.1 Custodial care, education, training, or rest cures.
- 4.2 Inpatient hospitalization or residential treatment for the primary purpose of providing shelter and/or safe residence.

### 5. Dental care

- 5.1 Dental treatment, except when made necessary by accidental injury to sound, natural teeth, as provided by the plan.

### 6. Diagnostic and experimental services

- 6.1 Care, treatment, diagnostic procedures, or operations that are:
  - Considered medical research
  - Investigative/experimental technology
  - Not recognized by the U.S. medical profession as usual and/or common

## EXCLUSIONS (CONTINUED)

- Determined by DMBA not to be usual and/or common medical practice
- Illegal

That a physician might prescribe, order, recommend, or approve services or medical equipment does not, of itself, make it an allowable expense, even though it is not specifically listed as an exclusion.

Investigative/experimental technology means treatment, procedure, facility, equipment, drug, device, or supply that does not, as determined by DMBA on a case-by-case basis, meet all of the following criteria:

- The technology must have final approval from all appropriate governmental regulatory bodies, if applicable.
- The technology must be available in significant number outside the clinical trial or research setting.
- The available research about the technology must be substantial. For plan purposes, substantial means sufficient to allow DMBA to conclude the technology is:
  - » Both medically necessary and appropriate for the covered person's treatment
  - » Safe and efficacious
  - » More likely than not will be beneficial to the covered person's health
  - » Must be generally recognized as appropriate by the regional medical community as a whole

Procedures, care, treatment, or operations falling in the categories described herein continue to be excluded until actual experience clearly defines them as non-experimental and they're specifically included in the medical benefit by DMBA.

## 7. Educational programs

- 7.1 Educational programs (except diabetes education) provided outside of the health centers (PMS clinics, etc.).

## 8. Fertility/family planning/home delivery

- 8.1 Reproductive organ prostheses.
- 8.2 Care, treatment, or operations received outside of the health centers in connection with sexual dysfunction.
- 8.3 Care, treatment, or operations received outside of the health centers in connection with infertility.
- 8.4 Care, treatment, services, or operations in relation to in vitro fertilization.
- 8.5 Abortions, except in cases of rape or incest or when the life of the mother would be seriously endangered if the fetus were carried to term.
- 8.6 Family planning, including contraception, birth control devices, surgery, and/or drugs.
- 8.7 Planned home delivery for childbirth and all associated costs.
- 8.8 Services related to the evaluation and treatment of the cause(s) of multiple miscarriages.
- 8.9 All services and expenses related to a surrogate pregnancy including but not limited to care, treatment, delivery, diagnostic procedures, or operations, as well as maternity care for the surrogate

## EXCLUSIONS (CONTINUED)

mother and prenatal/postnatal care for the newborn child are excluded. All services and expenses for complications related to a surrogate pregnancy are also excluded.

All services and expenses related to a pregnancy resulting in an adoption including but not limited to care, treatment, delivery, diagnostic procedures, or operations, as well as maternity care for the surrogate mother and prenatal/postnatal care for the newborn child are excluded. All services and expenses for complications related to a pregnancy resulting in adoption are also excluded.

**8.10** Genetic testing is not covered if it is related to fertility

### 9. Government/war

- 9.1** Services furnished by a hospital or facility owned or operated by the United States Government or any agency thereof; any charges for services, treatments, or supplies furnished by or for the United States Government or any agency thereof.
- 9.2** Services covered or that could have been covered by any governmental plan had the participant complied with the requirements of the plan, including but not limited to Medicare and Medicaid.
- 9.3** Services required as a result of war or act of war or service in the military forces of any country at war, declared or undeclared. War includes hostilities conducted by force or arms by one country against another country, or between countries or factions within a country, either with or without a formal declaration of war.

### 10. Hearing

- 10.1** The purchase or fitting of hearing devices.

### 11. Immunizations

- 11.1** Preventive medicine or vaccines for individuals age 18 or older, including immunizations, unless otherwise provided for by the terms of the plan.

### 12. Legal exclusions

- 12.1** Services provided before coverage begins, including hospital stays in progress on the effective date of coverage.
- 12.2** Accidents sustained as a result of play, practice, or participation in intercollegiate sports (NCAA-sanctioned), the ROTC program, professional contests, or vehicular contests.
- 12.3** Injury arising from participation in or attempt at committing an assault or felony, participation in illegal acts of violence, or services provided as a result of a court order or for other legal proceedings.
- 12.4** Services the individual isn't, in the absence of this coverage, legally obligated to pay.
- 12.5** Conditions resulting from catastrophic events defined as an earthquake, fire, terrorist attack, any other accidental occurrence or series of one event, or a group of related events within seven days or less resulting in the death or serious injury of 20 or more covered students.
- 12.6** Complications resulting from excluded services.
- 12.7** Services not specified as covered.
- 12.8** Care, treatment, or operations incurred after coverage ends.

## EXCLUSIONS (CONTINUED)

### 13. Medical equipment

- 13.1 Multipurpose equipment or facilities, such as those listed in the Medical Equipment chart on [page 21](#).

### 14. Medical necessity

- 14.1 Treatment or removal of warts, toenails, corns, or calluses received outside of the health centers.
- 14.2 Care, treatment, or operations for bunions received outside of the health centers.
- 14.3 Cardiopulmonary fitness training or conditioning (meaning reimbursement for gym, health, or fitness club memberships or fees), either as a preventive or therapeutic measure.

### 15. Mental health/counseling/substance abuse

- 15.1 Marriage/family counseling received outside of health centers, recreational therapy, or therapy over the phone.
- 15.2 Care or treatment received outside of health centers in connection with anorexia, bulimia, or other eating disorders.
- 15.3 Care or treatment for mental health, counseling, or substance abuse rendered in a residential treatment center or partial hospitalization setting.
- 15.4 Evaluation and/or treatment for learning disabilities and/or physical or mental developmental delay, including pervasive developmental disorders, autism, and/or cognitive dysfunctions.

### 16. Miscellaneous

- 16.1 Physical exams for the purpose of obtaining insurance, employment, or government licensing.
- 16.2 Care, treatment, diagnostic procedures, equipment, or any other services for sleep disorders, chronic fatigue, or fibromyalgia.
- 16.3 DMBA excludes sex change operations and all associated procedures and services (medical, psychological, pharmaceutical, surgical, etc.) from benefits in all medical plans.
- 16.4 Care, treatment, diagnostic procedures, or other expenses when it has been determined by DMBA that brain death has occurred (see exclusion 2.1 on [page 26](#) for exceptions).
- 16.5 Services of any practitioner of the healing arts who ordinarily resides in the same household with you or your dependents, or has legal responsibility for financial support and maintenance of you or your dependents.
- 16.6 Treatment received outside of the health centers in connection with aviation-related accidents (including but not limited to parachuting, hang gliding, or ballooning events), other than for passengers on scheduled commercial airlines.

### 17. Obesity

- 17.1 Care, treatment, or operations received outside of the health centers in connection with obesity or weight loss (including gastric bypass surgery).

## EXCLUSIONS (CONTINUED)

### 18. Other insurance/workers' compensation

- 18.1 Services covered or that could have been covered by applicable workers' compensation statutes.
- 18.2 Services or materials covered or that could have been covered by insurance required or provided by any statute had the participant complied with the statutory requirements, including but not limited to no-fault insurance, except as provided at the health centers.
- 18.3 Services received outside of the health centers for which a third party, the liability insurance of a third party, or the uninsured motorist insurance pays or is obligated to pay.

### 19. Pain control

- 19.1 Services received outside of the health centers for spinal cord stimulators.

### 20. Prescription drugs, specialty pharmacy medications, formulas, and supplements

- 20.1 Special formulas, food supplements (including enteral formula), or special diets.
- 20.2 Prescription drugs, high-cost injections, or specialty pharmacy medications for conditions including but not limited to: hemophilia (i.e., Factor Products, BeneFix); multiple sclerosis (Avonex or Copaxone); HIV/AIDS; hepatitis C (Peg-Intron); oral or self-administered chemotherapy agents (Gleevec, Procrit, or Epogen); infertility injections; Crohn's disease (Remicade); rheumatoid arthritis (Raptiva or Enbrel); growth hormone deficiencies (Humatrope or Nutropin); asthma (Xolair); diabetes (Byetta); or hypercoagulability (Lovenox).
- 20.3 Excluded medications such as contraceptive pills for birth control, dietary or nutritional products and/or supplements (including special diets for medical problems), herbal remedies, homeopathic treatments, products used to stimulate hair growth, medications used for sexual dysfunction, medications whose use is for cosmetic purposes, over-the-counter products, vitamins, weight-reduction aids, and non-federal legend status drugs.

### 21. Routine services

- 21.1 Routine physical exams (but is offered at the BYU Student Health Center for a \$30 fee).
- 21.2 Well-baby care and physical therapy received outside of the health centers (if you are in Utah County).
- 21.3 Services received outside of the health centers for routine pap smears (other than prenatal), premarital services, X-ray exams, psychological testing, and screening exams (except for mammograms and colonoscopies that satisfy the criteria in DMBA's current medical policy).

### 22. Speech therapy

- 22.1 Speech therapy and evaluation.

### 23. TMJ

- 23.1 Services and materials in connection with disturbances of the temporomandibular joint (TMJ).
- 23.2 Jaw surgery (osteotomy).

## EXCLUSIONS (CONTINUED)

### 24. Testing

- 24.1** Diagnostic services that are received outside of the health centers and aren't related to an injury or illness, unless otherwise provided for by the plan.
- 24.2** Some allergy tests including but not limited to ALCAT testing/food intolerance testing, cytotoxic food testing (Bryan's Test, ACT), Conjunctival Challenge Test (electro-acupuncture), Leukocyte Histamine Release Test (LHRT), Passive Transfer (PX) or Prausnitz-Kustner (PK) Test, Provocative Nasal Test, provocative food and chemical testing (intradermal, subcutaneous, or sublingual), Rebuck Skin Window Test, Rinkel Test, and skin endpoint titration.
- 24.3** Genetic testing is only covered when it will directly impact the health of the person requesting it and when it's recommended by a genetic counselor.

### 25. Transplants

- 25.1** Medications, care, treatment, diagnostic procedures, or operations in relation to transplants (donor or artificial).

### 26. Vision

- 26.1** Care, treatment, diagnostic procedures, or other expenses for elective surgeries to correct vision including radial keratotomy or LASIK surgery, unless otherwise provided for by the terms of the plan.

## CLAIMS REVIEW PROCEDURES

If you have questions, concerns, or complaints, please bring them to our attention. This includes complaints about the health centers, contracted and non-contracted physicians and facilities, administrative procedures, claims payments, or preauthorization procedures.

If you have concerns about the BYU Student Health Center, its staff, or services you receive there, please call DMBA's Student Health Plan representative at 800-777-3622, extension 5645.

If you have concerns about services you received outside of the health centers, please contact the Student Health Plan team at DMBA at 800-777-3622.

To file a complaint about claims for services received outside of the health centers, or concerning administrative or preauthorization procedures, please follow these steps:

- Submit a written statement to DMBA, Attention: Student Plan Claims Management. Please detail the nature of your complaint. DMBA will begin a review within 10 working days. After this review, you can expect a written response to the complaint.
- If your complaint still remains unresolved, you may submit it to: Student Health Plans Claims Review Committee, P.O. Box 45530, Salt Lake City, UT 84145.

The committee meets on a monthly basis and includes representatives of the student body, physicians, legal counsel, and consulting professional personnel from the health centers and DMBA.

All appeals must be received within 12 months of the original date of benefit determination. Please refer to the table below that shows when you must submit appeal requests, as well as when you can expect written responses to those requests.

## CLAIMS REVIEW PROCEDURES

	URGENT CARE CLAIMS	PRE-SERVICE CLAIMS	POST-SERVICE CLAIMS
<b>DMBA</b> must provide notice of the initial claim denial by ...	<b>72 hours</b> after receiving the claim if it was properly completed. <b>48 hours:</b> (1) after receiving completed claim or (2) after the 48-hour claimant deadline, whichever is earlier.	<b>15 days</b> after receiving the initial claim. <b>30 days</b> after receiving the claim if we need more information and we provide an extension notice during the initial 15-day period.	<b>30 days</b> after receiving the initial claim. <b>45 days</b> after receiving the claim if we need more information and we provide an extension notice during the initial 30-day period.
<b>DMBA</b> must provide an incomplete claim notice and request additional information by ...	<b>24 hours</b> after receiving claim	<b>Five days</b> after receiving claim	<b>30 days</b> after receiving claim, extended 15 days from the date we receive the required information

<b>DMBA</b> must provide a notice of decision of appeal by ...	<b>72 hours</b> after request for review (either verbal or written)	<b>30 days.</b> Two levels of review are available: CMRC will respond within <b>15 days</b> of written request. CRC will respond within <b>15 days</b> of request (either verbal or written)	<b>60 days.</b> Two levels of review are available: CMRC will respond within <b>30 days</b> of written request. CRC will respond within <b>30 days</b> of request (either verbal or written)

## SUBROGATION

If you have an injury that is the liability of another party and you have the right to recover damages, DMBA has the right of subrogation and will require reimbursement for any amount it has paid when damages are recovered from the third party. DMBA will be reimbursed:

- First
- From any recovery from a claim against a third party, the third party's liability insurance carrier, or your uninsured and/or underinsured motorist insurance carrier
- Whether the recovery is obtained by settlement, judgment, or from any other source
- Regardless of how the settlement is allocated by the third party or insurance carrier

Your acceptance of DMBA benefits for the injury constitutes subrogation. You must provide any information DMBA requests for subrogation purposes. If you fail to do so, you'll be responsible for reimbursing all the costs and expenses paid by DMBA for the injury.

## IMPORTANT DATES

BRIGHAM YOUNG UNIVERSITY		
<b>FALL SEMESTER 2019</b>	Sep. 3	Coverage effective; fall semester premiums due. If you are waiving the Student Health Plan, private health coverage must be effective.
	Sep. 10	Last day for students to submit enrollment or certification of other coverage. If you don't pay premiums for fall semester, holds will be place on your financial account.
	Jan. 5	Fall semester coverage ends; coverage ends for students leaving school.*
<b>WINTER SEMESTER 2020</b>	Jan. 6	Coverage effective; winter semester premiums due. If you are waiving the Student Health Plan, private health coverage must be effective.
	Jan. 13	Last day for students to submit enrollment or certification of other coverage. If you don't pay premiums for winter semester, holds will be place on your financial account.
	Apr. 27	Winter semester coverage ends; coverage ends for students leaving school.*
<b>SPRING TERM 2020</b>	Apr. 28	Coverage effective; spring term premiums due. If you are waiving the Student Health Plan, private health coverage must be effective.
	May 5	Last day for students to submit enrollment or certification of other coverage. If you don't pay premiums for spring term, holds will be place on your financial account.
	Jun. 21	Spring term coverage ends.
<b>SUMMER TERM 2020</b>	Jun. 22	Coverage effective; summer term premiums due. If you are waiving the Student Health Plan, private health coverage must be effective.
	Jun. 29	Last day for students to submit enrollment or certification of other coverage. If you don't pay premiums for spring term, holds will be place on your financial account.
	Aug. 30	Summer term coverage ends; 2019-2020 coverage ends for continuing students; coverage ends for students leaving school.*

\* Students who graduate or lose their continuing student status.

LDS BUSINESS COLLEGE		
<b>FALL SEMESTER 2019</b>	Sep. 16	Fall semester coverage begins the first day of school.
	Sep. 23	Enrollment and premiums due.
	Dec. 18	Classes end.
	Jan. 7	Fall semester coverage ends.
<b>WINTER SEMESTER 2020</b>	Jan. 8	Winter semester coverage begins the first day of school.
	Jan. 15	Enrollment and premium due.
	Apr. 9	Classes end.
	Apr. 19	Winter semester coverage ends.
<b>SPRING SEMESTER 2020</b>	Apr. 20	Spring semester coverage begins the first day of school.
	Apr. 27	Enrollment and premium due.
	Jul. 23	Classes end.
	Sep. 13	Spring semester coverage ends.

## COORDINATION OF BENEFITS

The Student Health Plan adheres to appropriate coordination of benefits guidelines and regulations.

## NOTIFICATION OF BENEFIT CHANGES

DMBA reserves the right to amend or terminate the plan at any time. If benefits change, we'll notify you at least 30 days before the effective date of change.

For the most up-to-date listing of plan benefits and exclusions, refer to the Student Health Plan handbook website at [www.dmba.com/nsc/Student/Handbooks.aspx](http://www.dmba.com/nsc/Student/Handbooks.aspx).

## NOTIFICATION OF DISCRETIONARY AUTHORITY

DMBA and the BYU Student Health Center have full discretionary authority to interpret the plan and to determine eligibility. DMBA and the BYU Student Health Center have the sole right to construe plan terms. All DMBA and BYU Student Health Center decisions relating to plan terms or eligibility are binding and conclusive.

## FRAUD POLICY STATEMENT

It is unlawful to knowingly provide false, incomplete, or misleading facts or information with the intent of defrauding DMBA. An application for insurance or statement of claim containing any materially false or misleading information may lead to reduction, denial, or termination of benefits or coverage under the plan and recovery of any amounts DMBA may have paid. Non-compliance with a contract prepared by DMBA addressing abuse of healthcare benefits or systems may also lead to reduction, denial, or termination of benefits or coverage under the plan and recovery of any amounts DMBA may have paid.

## LEGAL NOTICE

This handbook provides you with an explanation of your benefits under the Student Health Plan and constitutes a legal contract between you and DMBA.

## DEFINITIONS

**Academic School Year:** The academic school year for 2019-2020 is September 3, 2019 to August 30, 2020.

**Accident:** An unpremeditated event of violent and external means that happens suddenly without intention or design; is unexpected, unusual, unforeseen; is identifiable as to time and place; and isn't the result of illness.

**Acute:** Having rapid onset, severe symptoms, and a short course; opposite of chronic.

**Allowable Charge:** The maximum dollar amount DMBA will pay for a defined procedure.

**Alternative Care:** Outpatient treatment for mental illness in lieu of inpatient care if you qualify for inpatient care and can be discharged from an inpatient acute care setting to a less expensive setting, such as day treatment or partial day treatment, without compromising the quality of care.

**Contracted Facilities:** Hospitals, labs, and healthcare facilities that have contracted with DMBA to provide services to participants.

**Contracted Providers:** Physicians, specialists, and other providers of healthcare services who have contracted with DMBA to provide services to participants.

**Copayment:** The initial dollar amount you pay for an eligible medical expense at the time services are rendered.

**Custodial Care:** Maintaining a patient beyond the acute phase of injury or illness. Custodial care includes room, meals, bed, or skilled medical care in a hospital or extended care facility, or at home to help the patient with feeding, bowel and bladder care, respiratory support, physical therapy, administration of medications, bathing, dressing, ambulation, and so on. The patient's impairment, regardless of the severity, must require such support to continue for more than two weeks after establishing a pattern of this type of care.

**Elective Surgery:** Operations or surgical procedures for a condition that isn't immediately life-threatening and the timing is subject to the choice or decision of the patient and the physician.

**Eligibility Date:** The date you become eligible for benefits.

**Eligible Charges/Expenses:** Expenses incurred by you or a dependent for treatment of injury or illness that are:

- Medically necessary for the care and treatment of the injury or illness and are incurred on the recommendation and while under the continuous care of a physician
- Not in excess of the allowable charges defined by DMBA for the services performed or the materials furnished
- Not excluded from coverage by the terms of the plan
- Incurred for one or more of the services or materials specified in the plan
- Incurred during a period of active enrollment in the plan

Eligible charges incur on the date the service is performed or the purchase is made.

**Emergency Care:** The care required in connection with a sudden and unexpected onset of a condition requiring medical or surgical care necessary to safeguard the patient's life immediately after the onset of the emergency. This includes heart attack, severe bleeding, loss of consciousness, convulsions, acute asthmatic attacks, or temperature of more than 104° Fahrenheit.

**Extended Care Facility:** An institution, or part of an institution, that is licensed pursuant to state or local law, and is operated primarily for the purpose of providing skilled nursing care and treatment for an individual convalescing from injury or illness as an inpatient.

**Illness:** A bodily disorder, disease, mental or emotional infirmity, or all sickness that is a result of the same cause or a related cause.

**Medical Equipment:** A prosthesis, appliance, or device that is primarily and customarily used to serve a medical purpose and generally isn't useful to a person in the absence of injury, illness, or congenital defect.

**Medical Supply:** Medical items that are for immediate use, are disposable, and aren't reusable.

**Medical Treatment:** Therapeutic measure(s), including consultations, undertaken by or under the direction of a physician in connection with an injury or illness.

**Non-contracted Facilities:** Hospitals, labs, and other healthcare facilities that haven't contracted with DMBA to provide services to participants.

**Non-contracted Providers:** Physicians, specialists, and other providers of healthcare services that have not contracted with DMBA to provide services to participants.

**Participant Responsibility:** The percentage of eligible medical expenses you are responsible for paying after you make the applicable copayments and your insurance plan benefits have been paid.

**Physician:** A person who has been educated, trained and licensed as a physician to practice the art and science of medicine pursuant to the laws and regulations in the locality where the services are rendered.

**Preauthorization:** A process of advance notification that is required for a number of benefits. When you preauthorize services with the health centers or DMBA, you receive guidelines about what services are eligible for benefits before you commit to the costs.

**Qualifying event:** A change in your situation—such as getting married, having a baby, or losing health coverage—that makes you eligible to change your Student Health Plan enrollment.

**Repatriation:** The return of someone to their own country.

**Residential Treatment Center:** A facility that is licensed by the state to provide residential treatment that has licensed, clinical professionals providing specific treatment for mental illness, substance abuse, eating disorders, etc.

**Surgical Center:** A licensed public or private establishment:

- With an organized medical staff of physicians
- With permanent facilities equipped and operated primarily for the purpose of performing surgical procedures
- With continuous physician services whenever a patient is in the facility
- That doesn't provide services or other accommodations for patients to stay overnight

## INDEX

Academic school year .....	34
Accident .....	34
Acute .....	34
After-hours emergencies .....	3
Allergy services.....	17
Allowable charge.....	34
Alternative care.....	34
