Purpose of Form: Unless you elect otherwise, state law requires that California Personal Income Tax (PIT) be withheld from payments of pensions and annuities. The marital status and the withholding allowance claimed on your federal Form W-4P can be used to figure your state tax withholding.

The DE 4P allows you to:

- (1) Claim a different number of allowances for California PIT withholding than for federal income tax withholding.
- (2) Elect not to have California PIT withheld from your periodic, or nonperiodic, pension or annuity payments.
- (3) Elect to have California PIT withheld on periodic or nonperiodic payments based on:
 - (a) The number of allowances and marital status specified.
 - (b) A designated dollar amount.
- (4) Change or revoke the DE 4P previously filed.

Withholding from Pensions and Annuities: Generally, withholding applies to payments made from pension, profit-sharing, stock bonus, annuity, and certain deferred compensation plans, from Individual Retirement Arrangements (IRA), and from commercial annuities. Withholding also applies to property other than cash distributed.

In compliance with federal law, California PIT is not to be withheld from pension recipients who reside outside of California.

Periodic and nonperiodic payments from all of the items above are treated as wages for the purpose of withholding.

A periodic payment is one that is includible in your income for tax purposes and that you receive in installments at regular intervals over a period of more than one full year from the starting date of the pension or annuity. The intervals can be annual, quarterly, monthly, etc. For example, if you receive a monthly pension or annuity payment and will continue to receive payments for more than a year, the payments are periodic. However, distributions from an IRA that are payable upon demand are treated as nonperiodic payments.

There are some kinds of periodic and nonperiodic payments for which you cannot use the DE 4P since they are already defined as wages subject to PIT withholding. Your payer should be able to tell you whether the DE 4P will apply.

Your certificate is usually effective 30 days after you file the form. The certificate stays in effect until you change or revoke it.

Methods of Withholding: The payer can use one of the following three methods:

- (1) An amount determined by using the California withholding schedules. Payee completes lines 2 and 3 above.
- (2) A dollar amount that you designate. Payee completes line 4 above.
- (3) Ten percent of the amount of federal withholding computed pursuant to section 3405 of the [Internal Revenue Code](http://www.law.cornell.edu/uscode/text/26) (law.cornell.edu/uscode/text/26). Payee completes line 4 above.
