

Prior Authorizations Made Easy

Save time by requesting prior authorizations *online* through our HIPAA-compliant, secure website.

Other Benefits Include:

-  Viewing authorizations online.
-  Creating authorization reports for your practice.
-  Tracking authorization status.

Get started today:

1. Visit our self-service provider portal at ih.magellanrx.com
2. Click on **new access request-provider** under quick links
3. Click on **contact us** to register

We are here to help

The online portal is only for non-urgent requests. For urgent review requests, or if treatment has already occurred, please call **800-424-8269**.
